12. [] ADMINISTRATIVE Robert Gruenberg, Chicago Daily News, called on a referral from Tim Ingram, Subcommittee on Government Information and Individual Rights, House Government Operations Committee, to find out what had transpired today and I told him we had communicated with Chairwoman Abzug and in fairness to her and the Subcommittee we defer to her and the Subcommittee for comment.

25X1 13. [] LIAISON Advised George Murphy, Executive Director, Joint Committee on Atomic Energy, for Chairman Pastore of the pending action by the Department of Justice in California with respect to the tax matter on Mr. Duckett's project.

25X1
25X1A 14. [] CONSTITUENT Received a call from Carolyn Chaney, on the staff of Representative James R. Jones (D., Okla.), requesting information on when their constituent, [] could expect payment for his service with the Agency. [] was a civilian employee [] and was waiting for his last month's pay and severance benefits. After checking with Personnel and EA Division, and per instructions from [] I informed Ms. Chaney that the check was in the mail to their constituent.

25X1 15. [] ADMINISTRATIVE Mr. Thuermer's, Assistant to the Director, office advised that they had received a request from Representative Henry Reuss' (D., Wisc.) of an unclassified list of reports available from the Agency which is normally supplied to media reports. This was sent the same day.

25X1 16. [] LIAISON Received a call from Ed Terrar, on the staff of Representative Bob Wilson (R., Calif.), inquiring as to whether the information he had requested on the sale of military hardware to the Sub-Saharan countries had been completed. I told him it had, and he would be receiving it shortly.
